

TAKE THE REINS: EQUINE SERVICES FOR WARRIORS

“My anxiety can be a huge barrier to success. The employees and horses keep me focused on maintaining a calm sense of assertiveness and control without feeling overwhelmed.”

— Ben Wormington, visits Heartland Equine Therapeutic Riding Academy (HETRA), a PATH Intl. center in Nebraska.

Equine therapy has proven to help warriors strengthen physically and relax mentally in a positive and welcoming environment.

Wounded Warrior Project® (WWP) has partnered with the **Professional Association of Therapeutic**

Horsemanship International (PATH Intl.) to offer this unique program.

There is no cost to participate, but please understand that you will need to provide your own transportation to and from the riding center.
